There will likely be several more stops on our camp fair travels as time permits. We will let you know as we confirm dates.

REGISTRATION NEWS

Camp is filling quickly per usual but there is still room for you to join us for a great summer. If you've already registered, look for your name on the back of the newsletter. This is the best time of year to tell your friends about Falcon and have them visit us at a camp fair or receive some information.

From the Director

This is always a busy time of year for us. Registration is in full swing, camp fairs keep us moving and the phone rings all day. It is also fun because we get a chance to speak with new people about Falcon, something I always enjoy doing. Most of our work at camp is on hold because of the weather but Joe and Lenny have made some nice improvements this fall and early winter, still sneaking in to do good things when it warms a little. Some of their time will be spent inside creating pieces for new craft projects. Both Joe and Lenny have agreed to spend time teaching more advanced woodworking to interested campers.

Nici, Phil, Emily and I are reviewing staff for 2005 and will be making decisions over the next several weeks. We are very pleased with the number of returning staff and the quality of some new applicants. Returning staff and CIT's will be announced in the next newsletter. There is much thought given to selecting staff members and we are proud to assure both campers and parents that our staff will continue to safely provide an outstanding experience for you.

See you at a camp fair,

Dave & Emily
