Early Registration for Summer 2010

EARLY REGISTRATION INFO 2010

After such a wonderful summer, we hope you have settled into your school work and fall schedule. It may be hard to think about next summer already, but it is time to start planning when to attend Falcon in 2010 and take advantage of our early registration discounts. Falcon's continuing reputation as Ohio's premier private camp has resulted in waiting lists for many sessions and age groups over the last several years. Many of the sessions for senior camp were filled during early registration last year for both Eagles and Hawks. This is especially important to note for campers who will be moving from middle camp (Cardinals and Kestrels to Hawks and Eagles).

Why you should register now: You can save lots of \$\$\$\$ and you are assured of being able to attend the sessions of your choice.

Saving money is an obvious benefit, but do you realize that taking the 15% discount for paying full tuition now is approximately the same as a 30% A.P.R.? That's a pretty sound investment. As we do fill faster each year, early planning becomes much more important to make sure you get the time periods you want. Some campers were not able to get their first choice in 2009 and others could not attend at all.

How does Falcon benefit?

Your early registration allows us to know at an early date how various age groups appear to be taking shape and whether we have any special staff needs. Early payments allow us to make repairs and new improvements easier over the off season and to explore better deals for new equipment. Some of the money you save now we in turn expect to save in lower advertising costs for time periods we know are filled. All this results in Falcon being able to maintain reasonable tuition fees while improving the quality of our program each year.

SPECIAL OPPORTUNITY FOR 2009 CAMP FAMILIES

From now until December 1, 2009 early registration is available ONLY to 2009 camper families. 2009 families should use this opportunity window to your advantage. **From December 1 through December 20, 2009 early registration is available to everyone** (including last year's campers). We have already had many inquiries from new families excited about attending Falcon.

HERE'S THE DEAL!

1. Register your camper early with full tuition payment and receive a 15% discount on tuition. This is the biggest and best deal we can offer.
2. Register your camper early with a \$500 deposit per each two weeks of camp and receive a 10% discount. That would be \$500 deposit for a two week camper, \$1000 for a four week camper, etc.
3. Take an additional \$50 discount per camper for two or more campers from the same immediate family.
4. If you are not sure of your camp dates and still want to take advantage of the early registration savings, send your full tuition or deposit payment and let us know the dates as soon as possible. **We can not guarantee first choice of sessions** but you can still save money. If your plans change, payments are refundable until May 1 minus a \$50 office cancellation fee.
5. There is **No Tuition Increase** this year which helps make early registration a *really* good deal.

From December 1 until December 20, 2009, early registration is open to everyone, including last year campers.

Cancellations, minus \$50 office fee, can be made with full refund until May 1, 2010. See application for more details. After May 1, there are NO REFUNDS. Parents are advised to consider purchasing program cancellation insurance which is available to you on our website.

FALCON CAMP DOES ACCEPT VISA AND MASTERCARD. Please send, on a *separate* sheet of paper, name and account number on card, expiration date, and whether a Visa or MasterCard, along with authorization of charges.

Please call us if you have any questions about early registration or any questions about Falcon.

Food for Thought

Many new campers are referred by our camper families and alumni each year. When new families are looking at prospective camps for their children, it is reassuring (as so many of you know!) to be able to speak with someone they know separate from the camp staff. Trust and safety are two essential ingredients in choosing the right camp. Your assistance in finding new camp families allows them to have a good sense of the camp environment, facility, staff, values and "Falcon rules" (ask your camper if you aren't sure what "Falcon rules" means). Call us with any questions at 216/991-2489 or 800/837-CAMP.

PLEASE NOTE DEADLINE OF DECEMBER 20 FOR EARLY REGISTRATION!

Early registration deadline is December 20. The reason is a simple one: The Devey Family will be away for the holidays and we will not be home the last part of December. It is important to wrap things up before our trip and we appreciate your understanding in this. Since summer vacation is not a viable option for us (surprise!!), this is the only time we can get away as a family and we value this as our family time.
