

# **2007 Falcon Horse Camp**

## **EARLY REGISTRATION INFORMATION**

Falcon Horse Lover Camp's popularity continues year after year. Each year Horse Camp fills quickly and each year we have waiting lists.

Several years ago we increased the size of Horse Camp from 8 to ten campers in an effort to accommodate more interested campers. While we believe it worked fine with the amount of instruction and horses necessary to do it right, we also thought it worked even better with the smaller numbers. In 2006 we decreased the size of Horse Camp back to eight campers per week and everything just seemed to flow easier. We will maintain the size at 8 campers again this summer. The 9th week of Horse Camp is larger because the regular camp program is over and there are more horses and instructors available. There is not another camp riding program like this anywhere in the Midwest and we like it that way. Horse Lover Camp offers unique benefits for campers in such a small environment. We try to keep tuition reasonable for everyone and the more you keep telling your friends about Horse Camp, the less we need to spend on advertising. Those savings come back to you in keeping tuition lower (Econ 101 to you future college students).

What this means for you: **Registering Early becomes more important to insure that you do have a space reserved in the sessions you want.** Early Registration will take place from now until December 15. Most of Horse Camp was filled during early registration the past several years. Because we are decreasing the number of available spaces, camp will fill even faster.

As a bonus, anyone registering before December 15 will receive a \$50 tuition discount. Your tuition will be \$750 (same as last years) instead of the \$800 tuition for 2007. Registration consists of sending in your application with \$200 deposit.

**Pick your session and sign up now for a great summer in 2007.** If you have any questions, please give us a call.

We would be happy to send information to your friends or send extras for you to post in your barn, stables or anywhere people love horses!
