- We are sorry to share with you the news of the passing of Emily's mother this last week. Mrs. Caswall lived a long and wonderful life and we were grateful to be able to spend so much time with her over the years, especially so in her last few weeks. Because we had so much important time with family this month and so little time at our desks, we are extending the early registration deadline to December 20 as we get back to the business of planning a great summer for everyone.
- Early registration has been very strong and senior camp is already beginning to fill. If you plan on joining us at Falcon this summer, we recommend you take advantage of the savings and register.
- We are very pleased that so many of our staff are planning to return for Falcon 2007. There will be some difficult choices to make as the number of talented applicants for CIT, Jr. Counselor and Sr. Counselor positions are larger than the space we have available. That's a nice kind of problem to have. As always, our staff is one of Falcon's greatest strengths.
- Look for the winter camp fair schedule in January's newsletter or check out the web site: www.FalconCamp.com.
- Call 800/837-CAMP or email Office@FalconCamp.com (new) or FalconCampOffice@aol.com for any questions or comments about Falcon.
- Start getting ready for another outstanding summer in 2007!
