Most of the camp fairs we are attending focus on central Ohio. This is not by our design but by parent groups who are interested in helping their communities learn more about summer opportunities for their families. If you know of any events in other places, please let us know. We would also be pleased to help you create one in your neighborhood or school if you have any interest.

From the Director

We did it Again!

Once again, Falcon was visited by the American Camp Association this past summer to be accredited as an ACA camp and once again we passed our accreditation visit with flying colors. The ACA asks that we do not discuss any scores from the visit because of the possibility that they might be misinterpreted and as a visitor myself, I understand and agree with that. So I will not reveal our score except to give you a hint: we didn't fail any of the more than 300 standards that the visitors examine. That would be zero wrong if you get the hint... You can see our certificate on the wall in the health center when you come to camp.

At the annual ACA Ohio conference in January, Falcon Camp received an award for Program Excellence from the ACA Ohio Council of Leaders.

This honor was given to us partly because of the quality of our

program design and opportunities for campers to learn but also because of the respect given to the excellence of our staff training and the work we do in making sure our staff provides the highest levels of care and

teaching for our campers. The award is an honor we take seriously and I believe it is an honor to have the respect of your peers in whatever work you do. We have high expecta-

tions for our staff but it only works if we provide them with the necessary training and assistance to know their jobs and be able to reach those expectations. Nici Mahen deserves a huge shout out for the outstanding work she does with our LIT, CIT and Jr Staff programs as well as oversight of our entire staff. We spend large amounts of time in the off season learning and reaffirming that the teaching methods we use are best practices and stand the test of time.

We are proud of the recognition and do our best to serve our campers, families and our staff with the highest standards.

I received a thank you and a gift at the same conference for serving on the board/council of leaders for the past 23 years. As my last term ended in January I decided it was time for someone else to take over the position of public policy chair and spend the volunteer hours involved so I am no longer on the Council of Leaders. I will still maintain an active role in watching over issues involving the health and safety of children, still be a visitor to accredit camps and still maintain an active role in the ACA but it is time for some of the younger folks to become more involved. I expect to spend some of that extra time in the summer being more active with our own campers and staff, and some of that time over the winter spending time with my granddaughter Sloan. Emily and I are pretty happy being grandparents!

Summer is coming soon,

Dave

Giving back to the Community

Earlier this year Falcon donated a two week session to the United Cerebral Palsy of Greater Cleveland fundraiser and to the Shaker Hts. Historical Society 'Shakers and Movers' fundraiser. We will also be donating a two week session to fundraisers at Laurel School and at the Lawrence School later this winter. If you want to donate to a good educational cause and win a two session at Falcon, bid often and bid high! We are pleased to help contribute to worthy causes throughout our communities and would be happy to consider others in the future.

We welcome the following campers to Falcon for the summer of 2017!!

We are pleased to see how many of you took advantage of our early registration in November and December. Applications and inquiries are being received almost daily right now. We are looking forward to an excellent summer with a smiling camp full of returning campers joined by our new campers for their first experience of "coming home for the summer!" If you are not on this list we hope to see your name on here soon. The summer of 2017 is going to be great fun and you won't want to miss it!

Welcome Gift for Registered Campers

Last year we started a tradition of sending a welcome gift to our campers as they registered. This year we will be sending Falcon beanie hats to keep your heads warm and to look good at the same time. Those of you in cold weather states will find good use for them and those of you in warm weather states can wear them to make a camp fashion statement. Wear them with pride and send us a photo of you in your beanie – or use your imagination and show us your creativity. Tell your friends that the only way to get one is to join us at Falcon this summer!

See you soon –

Dave, Nici and all the staff

2017 CITs

We are pleased to announce that the following outstanding young people have been selected to be Counselors In Training for the summer of 2017. This is their first big step in the process of learning how to be a Falcon Camp counselor. We expect to add one or two more CITs later this spring and will announce those names as they are selected.

Grace Gilbreath of Cincinnati, returns for her 8th year at Falcon.

Miranda Gutter of Powell returns for her 2nd year at Falcon.

Ricky John of Aurora returns for his 4th year at Falcon.

Halley Masaryk of Shaker Heights returns for her 7th year at Falcon

Abby McCartney of Highland Heights returns for her 9th year at Falcon.

Samantha McLaughlin of Westerville returns for her 4th year at Falcon.

Thomas Rodrigues of Cranberry Township returns for his 5th year at Falcon.

William Sherman of Pittsburgh returns for his 9th year at Falcon.

Parker Zerick of New Albany returns for his 7th year at Falcon.

Congratulations to our 2017 Class of CITs!

Cool stuff for Alumni too!

We don't want to forget our alumni as we head out to the camp fairs and start to get excited about the upcoming summer. Here's a special beanie hat just for alumni! Same hat as the campers but different color with alumni printed down the side of the logo. There is only a limited number of these printed so you'll need to be one of the first 50 alumni to contact us. Email Office@FalconCamp.com with this information:
