# THE FALCONER

May 2013

## New News you can Use

This summer we have some exciting new things we're planning, to add to the awesome camp you already know. Some are building off of old programs, some are jumping right into new ones. I'm most excited for a new storyteller and naturalist we have coming to visit. They will tell us about the Shawnee Indians of Ohio, as well as take us on great hikes through our own forest, with a new perspective on what we're seeing. We're also going to beef up our fishing program a little bit, so you'll have a few more choices of poles (not just bamboo ones!) and a few more fishing spots. Probably some more trips up the hill for fishing too! Since we got the mountain bikes last summer, we have to figure out more ways to use them THIS summer! And I think we've got just the way! We are going to get a portable trailer that fits all 12 bikes to hitch to the back of Clifford the Big Red Van which conveniently fits 12 people! That way we can drive to wherever we want to bike, and ride the day away. Last but certainly not least, we are finally making one of my longtime dreams come true: a

garden! We'll plant some of it and build a fence to keep out the cute little bunnies before you all get there, but we'll need your help (if you're interested) during the summer. Once things come up, we can eat fresh lettuce and tomatoes and carrots and a zillion other veggies! That's about it for the list of new things happening this summer... Unless someone has an idea for something great, in which case shoot me an email! We'll try and add it to the awesome things we've already got going on!

*Tali*

## Just a Couple Reminders...

- There is an Open House at camp on May 26 from 1-4. We'd love to see you there! If you can't make it, let us know and we'll schedule another time for you to come see what camp looks like.

- There's a few things you'll need to have with you when you come to camp. The most important of those is your med form, signed by a doctor. All of those forms can be found on the website under "Need an important form?"
- If you are ordering clothing this year, send your order in advance! We have a limited amount of some items, and will fill orders on a first come-first serve basis.
- As we prepare for summer, our main method of communication with parents will be via email. Please make sure [dave@falconcamp.com](mailto:dave@falconcamp.com) is in your address book. If you have not received emails in the past, we may not have your correct email address. Feel free to contact us to make sure you are getting the most up to date information.

DAVE

**Have you checked your email recently? If your child is registered properly, you should have received the parent handbook via email. The handbook contains lots of important information for making sure both you and your child are prepared for camp. If you did not receive a handbook, please 1. Check your spam folder; 2. Contact us to ensure that your child is properly registered; and 3. In the meantime, read the handbook online (it can be downloaded from the website under "Need an important form?")**
