

Registration News

Enrollment for 2015 continues to climb as the weather finally breaks and we start to feel the beginnings of spring. For those of you who have just begun to think about summer, there is still room for more campers. We would be happy to share our excitement with you if you are still making plans. For those of you who are already registered, please tell your friends about Falcon as you get ready for a great time. It is wonderful to see the mixture of new faces coming in with so many returning campers.

Camp Fairs

It was great to see some of you as we traveled to a number of camp fairs this winter in Cleveland, Columbus, Cincinnati and Pittsburgh. It was interesting also to attend a few fairs in new neighborhoods to introduce Falcon to a wider area. We are still happy to visit with individual families to talk about Falcon. Interested families can contact us at your convenience.

Special Events/Auctions

Falcon donates a two week session every year to several fund raising events that we believe help contribute in positive ways to our greater Falcon community. 'A Night for the Red and White' for Shaker Hts Schools and Shaker Historical Society's 'Movers and Shakers' benefits are already over for this year. Upcoming silent auctions include 'Bloom' on May 2 at The Lawrence School and the Scioto Ridge Elementary School auction on May 8. If you want to donate to a good cause *and* win a two week session to Falcon, then be in touch with these last two schools. Bid high and often!

Falcon also offers a limited number of scholarships and financial aid through our Decker Scholarship Fund. Contact us if we might make the difference to create a summer at Falcon in 2015.

Falcon Virtual Tour

Check out our new virtual tour at www.falconcamp.com. Look in the upper right header and click on virtual tour. All of the scenes were recorded last summer so a number of you will see yourselves. Show your friends!

Parent Information

In early May, parents can expect to receive the parent handbook via email to help you prepare your children for the summer. Even experienced camp parents should read through the handbook to remind yourselves about medical forms, clothing, Opening day and other important information.

From the Director

It surely is nice to see the weather getting warmer and we can start preparing camp for the upcoming summer. This has been a long winter and I'm ready to get out from behind the desk and work some with my hands instead of all with my head. We are all looking forward to seeing so many of you this summer!

Dave

Staff Bios

In the last newsletter we announced some of the staff that will be returning. We have been hard at work since then hiring several new staff and a few more returning staff. We take great pride in selecting and training exceptional counselors to supervise our campers. Falcon staff wear shirts that proclaim they are 'the best darn camp staff in the entire world' and we work hard to make that a reality. Here are a few hellos from some of the 2015 staff. See you soon - *Todd*

Counselors In Training

The CIT program is designed for campers, age 16, who are interested in learning leadership skills from a counselor perspective with the hopes of becoming staff. This four-week program provides immersion into the role of a camp counselor as the CIT's take on a supporting role in the activity areas and the cabin. This role allows them to observe and take on challenges in small and manageable doses. We look forward to working with all of the CITs this summer and hope to see many of them continue on as Falcon counselors. Summer will be here quickly! - Níci
