

Falcon T-Shirt Design Contest!!!!

Have you ever wanted to create a T- Shirt or saw what you thought would be a cool design for a shirt? Here is your big chance! Each year we usually offer a new Falcon shirt to go along with our regular blue camp dress T-Shirt. This year we thought it would be fun if you were able to design the shirt. Here's how it's going to work: During the month of April, you can create and submit as many T-Shirt designs as you want. At the end of the month, we will narrow entries down to the top 3 designs. Through the first few weeks of May everyone will vote on a winner and we will announce that winner on May 20th. We will create a limited edition of the winning T-Shirt for purchase in the camp store and of course the winning designer will get their own free shirt.

Rules:

1. The shirt will be a standard 1 solid color t-shirt.
2. The Falcon Logo will be on the front right hand side of the shirt.
3. You can not cover over or change the Falcon Logo.
4. Open to Campers, Camper Families, Staff and Alumni.
5. Your design can be on the back, the front, the side, or both. Use your imagination and show us what you can do.

Voting details will come soon.

If you've already registered for camp this year, good for you. You may be surprised to see another application accompanying this newsletter. But never fear! We make no mistakes! Simply hand this application to your friend who you think would love a summer at Falcon, along with your own detailed description of how great camp is. Make sure they put your name on the "How did you hear about Falcon" line so you can both get your prize!

Director's Corner

This long winter has me *really* ready to get down to camp and start getting things opened up. I think all of us are hoping for some warmer weather soon. Our staff has been hired and we are truly happy about the strengths of this staff. Lots of returning counselors to provide the consistent quality you always find at Falcon and some new faces to provide the extra excitement that new people bring to Falcon . The same is true for campers -many returning campers and an increasing number of new campers who have heard such good things about Falcon. There is still some space available this summer and we would be delighted to have some of your friends join us. Look for some new programming in all of our activities and weekend themes, especially on the waterfront, in the stables, at crafts, music and some very cool creative arts. Camp is always a balance between the good things we know work well and adding new things every year to keep everything fresh. I am proud of Falcon's reputation and our traditions but also mindful of the fun we have with new ideas. We work hard all winter to make each summer special and the summer of 2014 is looking like a real winner.

See you soon,

We welcome our 2014 Campers! *Denotes new camper
